

## Equipment Service Requirements

### Please list all receivers that will be located in your recreational or commercial vehicle

If you do not already have your receiver and smart card identification numbers, this information can be found on the System Info screen. The System Info screen can be accessed by first connecting your receiver to a power source and then selecting either of the two options below:

- Press the SYSTEM INFO button on the front panel of the receiver or
- Press the POWER button on the front panel of the receiver to turn off the receiver, then press the CHANNEL UP button also on the front panel of your receiver

The Receiver ID begins with the letter "R" and the Smart Card ID begins with the letter "S":

Receiver #: R \_\_\_\_\_

Smart Card #: S \_\_\_\_\_

Receiver #: R \_\_\_\_\_

Smart Card #: S \_\_\_\_\_

Receiver #: R \_\_\_\_\_

Smart Card #: S \_\_\_\_\_

Receiver #: R \_\_\_\_\_

Smart Card #: S \_\_\_\_\_

---

You must fax, e-mail, or mail this completed Equipment Service Requirements form, along with your signed Recreational and Commercial Vehicle Declaration, a copy of your current vehicle registration, and (if applicable) commercial driver's license, to the address or number listed below. Failure to submit a completed Equipment Service Requirements form will result in rejection of your request for Distant Network Service.
